## We need you!

Our club needs to fill a few key roles to support the delivery of surf sports and life saving services.

If you have your RSA and WVP registration, you can help us raise funds by manning our bar.

Are you a people person? Help us secure our sponsors.

Do you have your first aid certificate? Join our patrols, no water contact required!

Leadership skills? We are planning the transition to our next President.

Please contact Laura on 0401 842 966 to learn more about these opportunities.

## ● Membership fees due

Our membership is well down on last season, and we are required to have all fees paid by December 31, 2025, to meet our insurance, training and operational requirements.

We understand that December is a very busy month for families. End of year functions, preparing for Christmas, planning for a little break.

Reach out to our President Laura, if you require assistance navigating the payment portal. If you choose not to rejoin, thank you for being a part of our club and we hope you return another time.

## Beach patrols have commenced.

Our surf lifesavers have resumed patrols and will continue through to the end of March. Patrols occur on weekends and public holidays from 11.00 am until 4.00 pm.

For your safety, please swim between the flags or come and talk to our patrollers about beach conditions in the area.

Outside of patrol hours, should you require assistance please ring 000.

Check out and complete the beach safety passport on:

## Join Nippers!

The cooler start to summer hasn't deterred our Nippers and they are enjoying their training.

It's not too late to join in, if you have a child aged 5 to 12, they are welcome to come and try!

Our friendly volunteers will assist with any questions you have.

Training is every Thursday 5.00 - 6.00 pm and Saturday 11.00 am - 12 noon.

### ● Dates for your calender

- **Saturday 27 December** - 4.30 - 8.00 pm. Market by the Beach

## Christmas wine drive

Our wonderful sponsors Ghost Rock Wines partnered with us again for a pre-Christmas wine fundraising drive. We managed to raise just over \$1000, which we will certainly be using to support our surf lifesaving training programs.

## A word from Laura

The Club is in full swing with the recommencement of Nipper and Senior training in November, and our patrols kicking off in December. Our surf life savers are also completing training and requalifying to remain competent.

Our first Nipper carnival of the season was at Bridport where for just one day the weather turned it on! Returning Nippers and those attending their first carnival had a fantastic time.

We are now turning our attention to the upcoming markets which are our biggest fundraisers for the year. If you think you can give us a few hours of your time to help out, please get in touch and of course we welcome you all back to the beach this summer!

A huge thank you to every one of our amazing volunteers without whom our Club would not function!

I wish everyone in our community and all our members are very happy Christmas and may 2026 bring better weather!

Laura Dixon President.

**Swim between the flags**

Our Club will be hosting Christmas lunch again for the community. Thank you to Costa and Mountain Dew Ice for their generous support.
